

SIZE CHARTS – HKM RIDING GLOVES

STEP 1: MEASURE YOUR HAND	
	<p>In the table below are body measurements, not actual glove measurements.</p> <p>Use a tape measure all the way around your hand at the widest part, excluding your thumb. The measurement in inches is your glove size.</p> <p>Note: if you are right-handed, measure your right hand. If you're left-handed, measure your left hand.</p> <p>Finally, we recommend rounding up to the nearest half inch size. Any questions, call us on 01438 940561 – we're always happy to help!</p>
