

# SIZE CHARTS – MUCK BOOTS

Simply select your Muck Boots based on your standard ‘athletic’ shoe size. Check the size label inside your most recently worn pair of athletic shoes. These boots fit best with a medium-weight sock. To wear heavy fleece, ski or wool socks, select the next size up.

For narrower feet, we suggest wearing a thicker sock or putting in an additional sock liner to take up room.

MUCK BOOTS FOOTWEAR CONVERSION CHART							
Foot Length (cm)	20.8	21.6	22.6	23.6	24.4	25.1	26.2
