

eCheck

About the eCheck Pulse Oximeter:

The eCheck Pulse Oximeter is a new and innovative consumer wellness device for accurate readings of heart rate and oxygen saturation.

It is ideal for clinically validated measurements of oxygen level and pulse rate for home, sports and recreational use and is quick and simple to use – no complicated instructions and designed with maximum ease of use and a clear display.

The eCheck Pulse Oximeter automatically obtains readings within seconds after placement on the finger.

eCheck Pulse Oximeter Product Features:

- Easy-to-read display
- Permits movement during use
- 10x longer battery life compared to other similar products
- State-of-the-art patented technology
- Pinch-free comfortable design
- Adjustable viewing angles
- Measurement not affected by nail polish
- Includes instruction manual, battery and lanyard
