CALL TO ARTISTS

2023 BANNER PROGRAM

Artists are invited to submit an original, camera-ready, full-colour design suitable for a 24' x 60" banner on the template provided. Please make sure your image is bordered by the black line on the template.

Theme: ***The Four Elements: Earth, Water, Air, Fire***

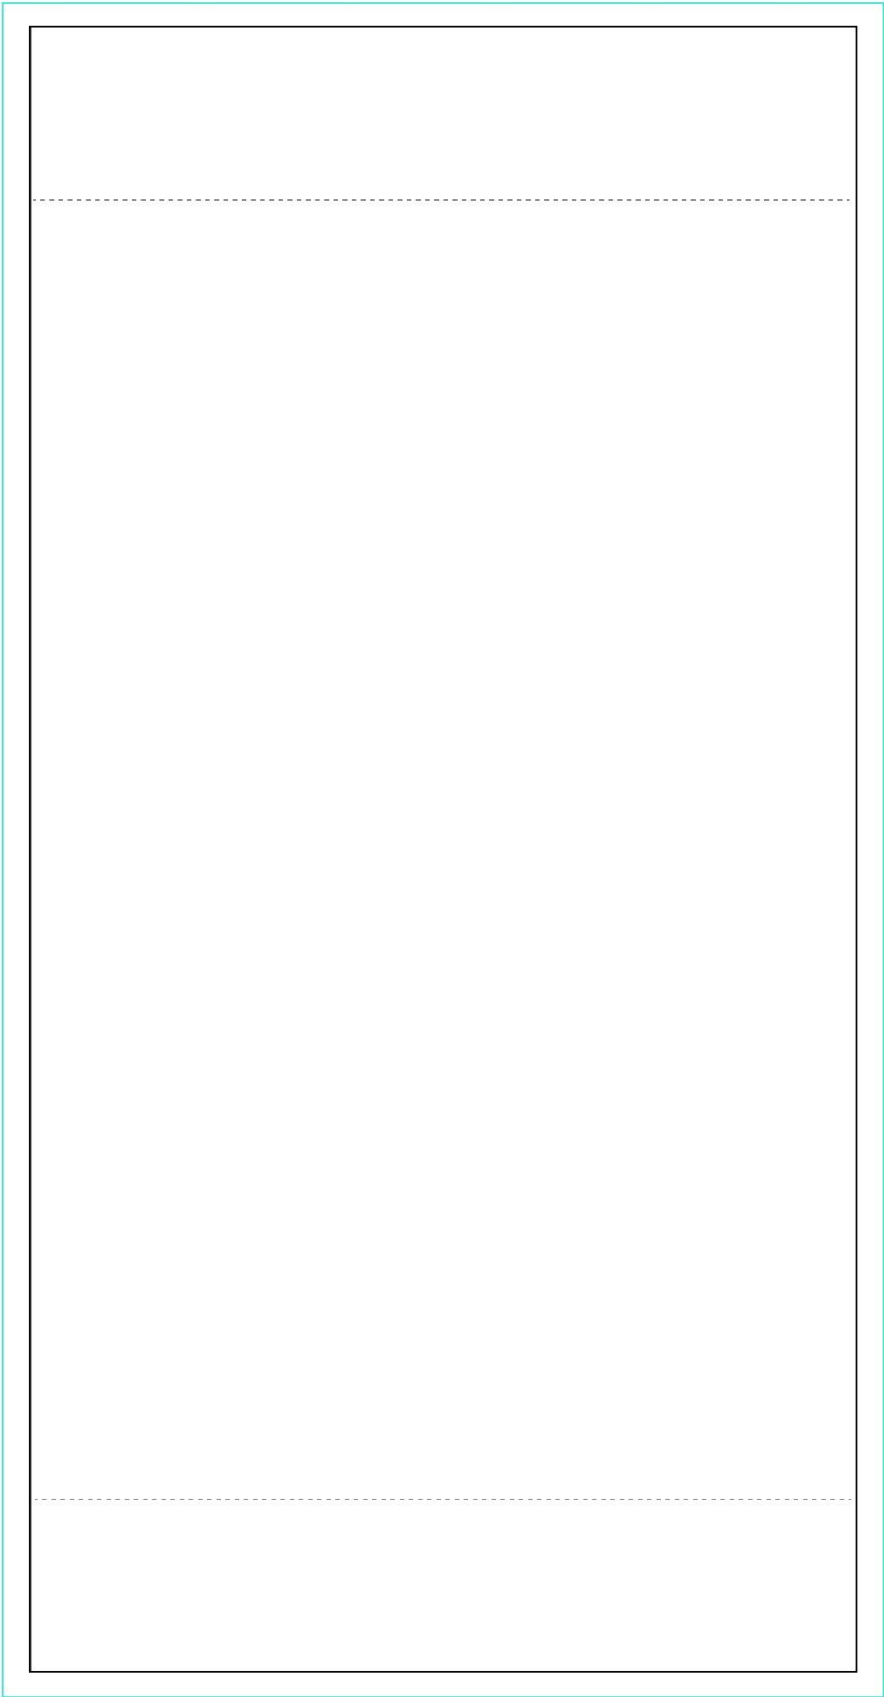

This is a juried program, with the Summerland Art Club volunteering their time and expertise to select the five most appropriate designs based on specific criteria. These designs will be professionally printed on 24" wide x 60" long banners and will be displayed throughout Summerland.

Artists whose designs are chosen will receive a small honorarium in exchange for the exclusive rights of Arts Council to print the design for any purpose the Council desires. Artists will retain rights to their original image. Designs have to be submitted by April 24th, 2023 to the Summerland Community Arts Council. Please include your name, phone number, and email.

Submit designs to admin@summerlandarts.com

Chosen designs will be announced on May 12th, 2023.
