

# PUNCH LOUVERS

Architectural Grille's custom made punch louvers are designed to your engineering specifications and provide durability and superior performance while also being aesthetically pleasing.

Consisting of multiple fixed blades, our punch louvers are ideal for air direction and flow in any interior or exterior commercial space.

Our custom made punch louvers are available in a variety of sizes, materials and finishes, and can also be customized to your needs and project standards.

## THINK GREEN

- Aluminum Punch Louvers are post-consumer 94% recycled aluminum
- Eco-friendly choice
- Helps obtain LEED™ credits for your commercial or residential projects
