HI Mark, Attached are two TUE forms, one for the IAAF and one for USADA. I'm not sure which one needs to be filled out for Galen, so it would be best if you did both. Once you fill them out, you can fax them to me at . I will then have Galen sign them and then I'll fax them to USADA., They will either grant the TUE or send it on to the IAAF if they are the ones that have to grant the TUE. Every year the protocol changes as to whether its the USADA form or the IAAF form that needs to be done and that can differ on where the race is being run. So I've found it's always best to do both and let USADA figure it out. Galen runs in Millrose on Friday night, so if we ask for a TUE I think it should be with the doses ending on Friday as you mentioned yesterday. thanks! - Alberto
