Alberto,

You are all set and confirmed for a single room at the hotel. It's right next to the indoor track and about 10-15min from the airport.

Galen has a little bit of a cough. He feels perfectly fine, so I'm hoping it's just the dry air and being out of the tent might help. Either way, I'm going to see if they have some American brand cough drops at the grocery store.

Steve

Hi Steve,

Can you tell me the name of the hotel in dusseldorf? Thanks! -Alberto
