EXHIBIT 9 - REDACTED

Hey Alberto,

Just wanted to let you know that the Z-Pack got here and I took the first day's dose around noon today. Thanks again for sending that over! - Galen

Good news! The fedex package cleared customs and will be to you by noon tomorrow. Make sure the front desk has your name on file as well as Steve's so that they accept it. I will send the nasal spray tonight for ties day or Wednesday arrival. -Alberto
