

KEY CABINETS

When it comes to keys, you want to make sure they're safe. From a simple key cabinet to a more advanced issue and monitoring system, Securikey can offer a solution to meet your requirements.

SYSTEM 35/D

- A key cabinet with increased depth - Ideal for storing bunches of keys
- Strongly made steel cabinet with flush closing rim to resist forced entry
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Includes 5 security seals and loops to secure keys that require clear evidence of tampering or removal
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Supplied with security lock and 2 keys
- Please note: Available locking options are standard key, D and F only
