

PW1C

Front Loading Warewasher c/w Heat Recovery Unit

W 680mm x D 780mm x H 2065mm

Washtech warewashers are built to improve the efficiency of operations washing oversized and/or heavily soiled items, from bakeries to production kitchens, supermarkets to hospitals.

The PW1C is a powerful, highly durable, simple-to-use and easy-to-maintain front load warewasher. It features Washtech Hybrid Controls which combine IP65 stainless switches, tried-and-tested switchgear, with a customisable electronic timer. Built with a large wash chamber and carefully counterbalanced split door, it is ideal for washing baking and GN trays, bins, bowls and other oversized items.

The PW1C also features a highly efficient integrated heat recovery unit which ensures minimal steam emissions and reduced energy consumption.

Since 1981 Washtech dishwashers have been constructed from heavy duty stainless steel, and are engineered specifically for the unique local conditions and regulations. Backed by the most extensive service network and spare parts inventory in the region, your Washtech PW1C will not let you down.

Special Features:

- Suitable for installation without an extraction canopy in many situations*
- Integrated heat recovery unit which preheats the cold water supply, significantly reducing steam emissions, energy consumption and water treatment cost
- Internal upper rail with optional and adjustable tines suited for hanging ladles, whisks and/or washing up to 10 baking or GN trays (up to 40mm deep) per cycle

Standard Features:

- Versatile 2.5, 4.5 and 6.5 minute wash cycles
- Large internal wash chamber with useable area of W 565mm x D 600mm x H 750mm
- Low cold water consumption of 2.6 litres per cycle
- Washtech Hybrid Controls
- Easy Installation supplied with:
 - Water supply hose
 - Detergent and rinse aid pumps with injector lines
 - No commissioning required
- High powered wash system
- Suitable for connection to low inlet water temperature and/or pressure (break tank and rinse pump fitted)
- Heavy-duty stainless steel construction and wash manifold
- Robust stainless steel wash and rinse arms with precision stainless steel jets
- Double heavy duty stainless steel filtration system including dual scrap trays and separate wash inlet filter
- Wash chamber easily accessible via insulated counter-sprung split door
- Watermark approved backflow prevention
- Comprehensive Moffat 5-2-1 warranty

Includes:

- 1 x 500mm x 600mm dish rack (600 70042)
- 1 x 500mm x 600mm cup rack (600 70043)
- 1 x cutlery basket (C660508)
- 1 x 435mm cup cover (k0452)
- 1 x Upper hanging rail with adjustable tines (824 10228)

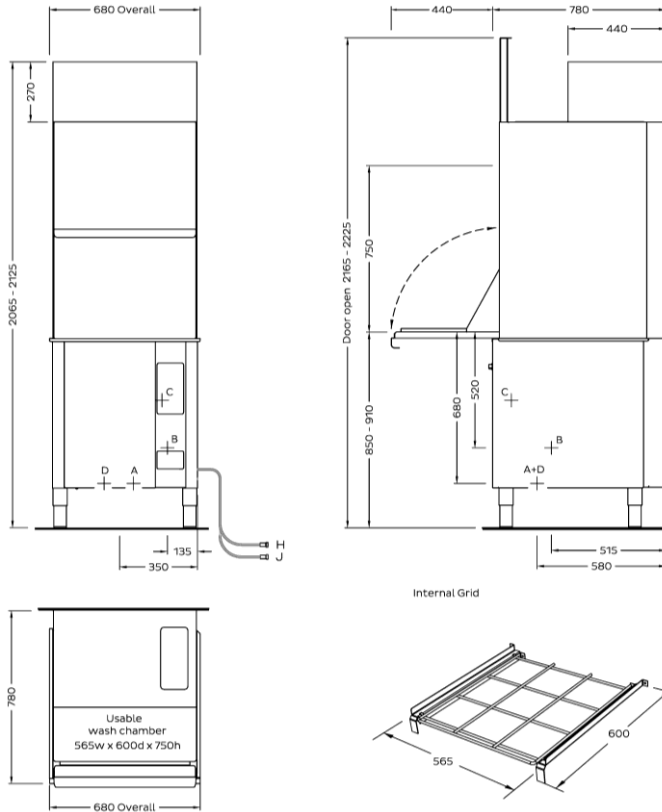

* Full certificate and conditions from SEED available on request

Refer operator manual for installation instructions. Isolating switch must be within 1m of, and not directly behind the machine.
* Connection on lower power rating will reduce the wash and rinse heating, and delay the operation of the machine.
