

## UL / UL-B

Fully Insulated Premium Undercounter Dishwasher/Glasswasher –  
500mm Rack

**W 600mm x D 635mm x H 845mm**

The Washtech Premium Range represents the most technologically advanced dishwashers in the Washtech line up. They are built to deliver the best wash results alongside the latest enhancements such as advanced electronic controllers, soft close doors, advanced filtration full thermal, and acoustic insulation to provide an optimal operating environment around the machine. Our assured rinse system ensures consistently great rinsing every cycle, while the soft start functionality protects your glassware and crockery.

The Washtech UL is the direct upgrade of the ever popular UD. Perfect for bars, cafes and other locations where high performance is required. Available now in a black stainless outer panel version.

### Standard Features

- Quikstart 1, 2 and 3 minute cycles
- Washes up to 1,080 plates / 1,500 glasses per hour
- QuikConnect Installation with everything you need including:
  - Water supply hose
  - Dual detergent and rinse aid pumps with injector lines
  - Drain pump outlet hose
  - 15 amp plugset
  - No commissioning required
- Reliable results through robust stainless steel wash and rinse arms with precision stainless jets
- Durable stainless steel construction
- Moffat's Comprehensive 5-2-1 Warranty
- Low hot water consumption of 2.4 litres per cycle
- Assured final rinse ensures the correct temperature and pressures every time through 316 stainless break tank and rinse pump
- Soft start ensures great results through progressively pressurising the cycle to provide a consistent and even clean every time
- EcoPower reduces temperatures and energy consumption when machine is not being used
- Full thermal and acoustic insulation (via dual stainless steel panelling) to provide a cooler and quieter operating environment
- Enhanced filtration system that allows you to drain straight from the keypad, with no need to put your hand in the machine
- Soft close door enables smoother and quieter operation of the machine
