

# Backyard Air Suspension

Speciality Fleet Lighting

BAS services the South  
Florida market with  
**GREAT PRIDE.**

BAS is a full-service  
customization shop.

# Backyard Air Suspension

We were founded in 2014, specializing in recreational & marine vehicles. We are a one-stop motorcycle shop for installation, fabrication, customization, audio visual & stereo sound systems. Knowledge in tig/mig welding, diesel engine & marine diesel repairs, soldering, custom wire harness, 3D Cad drawing, 3D printing, Photoshop, trouble shooting & diagnostic of electrical issues. Specialized in lighting systems, LED lighting & mechanical work.

We offer local pick up & delivery of motorcycles.

We pride ourselves in the specialized services we offer each of our customers per their request.

---

**BAS services the South Florida market with  
GREAT PRIDE.**

**“BAS is a full-service customization shop”**

---

Certified in Whelen Master Tech Law Enforcement Level 1, Technoresearch Centurion Super Pro for ECU repairs and management. Motorcycle Technician Diagnostics specializing in Harley Davidson motorcycles.

We are experienced in design installations for easy operation & access while maximizing crew & storage space.

We take pride in our quality workmanship & always ensure that installations withstand the critical usage necessary for our customers.

# BAS FLEET Operations

---

We are pleased to announce.

We have expanded our footprint.

We are branching our business to accommodate  
FLEET Operations.

# Partnerships

---

BAS has a partnership with Harley Davidson Motorcycles, Chrome Glow, Whelen, SMT Wheels, American Suspension, Bike Life Nation, Sound Stream & American Hard Bags to name a few.

BAS meets the unique needs of the fleet industries including a range of speciality industries such as law enforcement, security companies, and providers of funeral, towing, and utility services.

We provide durable, reliable, and high-quality product installations for any vehicle requiring speciality exterior and interior accessory installations.

\*Our maintenance packages can be provided upon request .

# Locations

---

We are located centrally in Pompano Beach, Florida within Broward County.

We again have a solid track record of high level of commitment to providing our customers with the right equipment, installation, and pricing.
