Oils & Vinegars from Around the World!

Sweet Almond Oil

- A multipurpose oil having culinary and valued curative properties, making it a favorite selection for health conscious consumers.
- Cholesterol Free, Carb Free, Trans Fat and Sodium Free. High in monounsaturates and low in saturates.
- Delectable in both sweet and savory dishes. Use when baking, frying, sauté, salad dressings, and drizzling.

Rice Bran Oil

- A byproduct of converting brown rice into white rice, Rice Bran Oil is extracted from the germ and the inner husk. Mild flavor.
- Great balance of monounsaturated, saturated, and polyunsaturated fats recommended by The American Heart Association. Improves serum cholesterol levels, preventing cardiovascular diseases.
- Use for stir frying, pan searing, roasting, deep frying & dressings. Great replacement for hydrogenated oils with trans fat.

Avocado Oil

- Derived from the avocado fruit, the oil has a mild flavor with a hint of nuttiness.
- Contains high quantities of unsaturated fatty acids and carotenoids. Enhances alpha-carotene, beta carotene, and lutein absorption.
- All purpose oil, excellent for deep frying, roasting vegetables, stir fry, salad dressings and more!

Canola Oil

- Canola is both nutritious and delicious providing a good value everyday oil choice for a healthy cooking.
- FDA has approved a qualified health claim for Canola labeling stating that it is low in saturated fat (1 gram per serving) on the label.
- Ideal for most cooking applications, providing a neutral taste and light texture. Great for sautéing, frying, baking, in marinades, and salad dressings.

Grapeseed Oil

- Extracted from the seeds of grapes. The product is very stable and is a good overall cooking oil.
- The 'Journal of the America Dietetic Association' in 2011 concluded that Grapeseed Oil helps lower blood pressure and overall heart rate while not affecting blood lipid levels.
- Use in dishes where you want nutrition with a mild taste. Great for sautéing, pan and deep frying, grilling, and dressings.

Macadamia Nut Oil

- Macadamia are fat-derived energy dense nuts making extraction easy and natural to process the oil.
- Contains magnesium and healthy fatty acids with oleic acid. Contains 80% monounsaturated fats, no trans-fat, and 3% polyunsaturated fat.
- Smooth, buttery, & nutty flavor good for frying, sautéing, and baking.

Peanut Oil

- Peanuts are legume growing underground, produces a stable high heat cooking oil.
- Naturally trans fat-free, cholesterol free, and low in saturated fats. Contains vitamin E and phytosterols, good for the heart.
- Good for healthier frying. Keeps outside of food crispy and inside moist. All around good cooking oil.

Sunflower Oil

- Extracted from the seeds of sunflowers, it is neutral in taste and popular in cooking due to health properties.
- Contains monounsaturated and polyunsaturated fats with mixture of linoleic (Omega-6) and oleic acid (Omega-9). The oil contains Vitamin A, Vitamin D, & Vitamin E, carotenoids, and tocopherols.
- A top pick for baking, light sautéing, dressings, and marinades.

Apricot Kernel Oil

- Obtained by removing the pit from the apricot and cracking the shell to access the kernel.
- Rich in monounsaturated fat which may help lower LDL cholesterol and promote cardiovascular health.
- Good for pan frying and sautéing. Mild flavor complements as ingredient in marinades and dressings.

Safflower Oil

- Our high oleic version contains monounsaturated fats and is a naturally occurring vegetable oil neutral in flavor and odor.
- May be a healthy choice for diabetics to help manage blood sugar.
- Versatile oil good for baking, salad dressings, marinades, pan frying, roasting and sautéing.

Toasted Sesame

- Made from hulled sesame seeds that have been toasted prior to pressing. Adds a heavenly, nutty, musky undertone to foods.
- Modern medical research has shown that the consumption of sesame oil lowers cholesterol and is beneficial for the heart and kidneys.
- Used for Chinese, Korean or Japanese inspired cooking.

Walnut Oil

- Walnut Oil is derived from nuts of the English Walnut tree. It has a rich, nutty flavor and golden hue.
- Walnut Oil provides hefty levels of Vitamin B-1, Vitamin B-2 & Vitamin B-3, coupled with Vitamin E and niacin.
- Walnut Oil is ideal for dressings, sauces, drizzling, and baking as it can add a specific taste and color to the finished product.

ORGANIC OILS & VINEGARS

Oils & Vinegars from Around the World!

Organic Canola Oil

- With Organic Canola Oil, dishes can be both nutritious and delicious while providing a great value choice for everyday healthy cooking.
- Canola Oil is one of two culinary oils that the FDA has approved a qualified health claim stating that it is low in saturated fat (1 gram per serving).
- Ideal for almost any cooking application. With its high smoke point, neutral taste and light texture, it is perfect for sautéing, frying, and baking. Because it is free-flowing at cold temperatures, it is also great for salad dressings and marinades.

Organic Sunflower Oil

- Organic High Oleic Sunflower Oil is pressed from the seeds. It is light in taste and color and has a high heat smoke point.
- High in Vitamin E, monounsaturated and polyunsaturated fats and low in saturated fats. May fight inflammation and help improve cardiovascular health.
- Used as a cooking oil, it may lower bad LDL cholesterol, improve heart health, boost energy, and strengthen the immune system.

Organic Extra Virgin Olive Oil

- Our Organic EVOO is the First Cold Press of the Olive valued for the healthy proportion of polyphenol antioxidants contributing to energy and longevity.
- May reduce the risk of Coronary Heart Disease according to the USDA. It is also known to fight inflammation, be high in Vitamin E & Vitamin K, and contain a balance of Omega-3 & Omega-6 (Essential Fatty Acids).
- Organic EVOO is good for frying, baking, sautéing at medium heat. It is also great for marinades, salad dressings, butter replacement, basting, and drizzling over your favorite foods for a gourmet finish.

Organic Soybean Oil

- Organic Soybean oil is a vegetable oil extracted from the seeds of the soybean. It is one of the most widely consumed cooking oils and is low in saturated fat.
- Organic Soybean Oil can be considered a healthy oil provided that it's not been hydrogenated. Cibaria Organic Soybean Oil is NOT hydrogenated. Soy oil is helpful for a diet that is missing the essential omega-6 fatty acid called linoleic acid. (Soy oil is about 50% linoleic acid) and for a diet that needs more monounsaturated fat (soy oil is approximately 25% monounsaturated). Contains natural antioxidants.
- Use in salad dressings, mayonnaise, bakery goods, and for many types of cooking.

Organic Balsamic Vinegar

- Premium Organic Balsamic Vinegar of Modena is produced with only the finest quality grapes, and is cultivated under the guidelines of organic agricultural methods. It is processed in accordance with International Standards set forth by ECOCERT Italy. It is made with specialty wine vinegar, concentrated and cooked grape must from these grape varieties: Lambrusco, Sangiovese, Trebbiano, Albana, Ancellotta, Fontana, & Montuni.
- In a 2010 study: published in the "Journal of Nutritional Science and Vitaminology" researchers found that the polyphenols in balsamic vinegar limited the ability of LDL cholesterol to oxidize, reducing the amount of damage done to the body's cells. Our Premium Organic Balsamic Vinegar contains antioxidants which may help prevent cardiovascular disease and some cancers.

- Toss in salads, garnish soups, marinade meat or tofu, drizzle over vegetables, add to sauces, appetizers, and pasta.

Organic Virgin Coconut Oil

- Organic Virgin Coconut Oil is made from fresh coconuts that are shelled, pared, and then the white meat is ground and dried. Dried meat is processed through a cold process expeller pressed where the oil is separated, filtered, and packed.
- Small amounts of Organic Virgin Coconut oil may help burn fat and is rich in Omega-3, high in antioxidants, and Vitamin E.
- Coconut Oil may be used in medium heat cooking, frying, and food processing. Coconut Oil can increase your energy expenditure helping you burn more fat. Lauric Acid in Coconut Oil can kill bacteria, viruses, fungi, and stave off infections.

Organic Toasted Sesame Oil

- Organic Toasted Sesame Oil is expeller pressed from toasted sesame seeds having a rich amber color, and distinctive flavor. It is rich in polyunsaturated fatty acids.
- Organic Toasted Sesame contains Vitamin E antioxidants, Omega-3 fatty acids and is high in Vitamin K. May help lower blood pressure, manage blood sugar, and combat diabetes.

- Toasted Sesame Seed oil is used in cooking, Asian stir fry, sauces, and seasonings, a has a medium smoke point.

BALSAMIC VINEGARS

Oils & Vinegars from Around the World!

Balsamic Vinegar, Limited Edition

- Balsamic Vinegar has been treasured in Italy for centuries and once you try our Limited Edition, you will want to have it insured!
- A study published in the 2010 issue of the "Journal of Nutrition Science and Vitaminology" found that balsamic vinegar decreased oxidation of LDL cholesterol and prevented formation of foam cells, responsible for initiating plaque formation, in participants. Naturally caramel free.
- Absolutely wonderful on fresh fruits, cheese trays, bread dipping, drizzled over grilled vegetables, as a topping for waffles or pancakes, salad dressings, sauces, marinades or splashed in drinks for a refreshing beverage.

Balsamic Vinegar, Flavored

- Our Limited Edition Balsamic Vinegar imbued with gourmet assorted flavors that stand out on the shelf and on everything they come in contact with. Succulent Strawberry, delicious Pomegranate, heavenly Chocolate, mouth watering Fig, and Tropical Breeze are our headlines for this category.

Balsamic Vinegar, Classic

- A moderately priced true Modena Italy Balsamic Vinegar with an intense fruity aroma and that sought after rich dark sweet/tart flavor profile.
- Balsamic Vinegar slows down digestion and helps prevent overeating. Because of its natural sweetness, it makes a healthy alternative to sugar laden condiments and syrups. Gluten free. Naturally caramel free.
- Toss in salads, garnish soups, marinate meat or tofu, drizzle over vegetables, or add to your favorite Cibaria oil for bread dipping.

White Balsamic Vinegar, Limited Edition

- White Balsamic Vinegar is cooked at high pressure to prevent caramelization, giving the vinegar a golden color with a gentle and sweet flavor. Imported from Modena Italy.
- Packed with Antioxidants that slow the aging process. Helps to maintain healthy blood sugar levels. Gluten free and naturally caramel free.
- Perfect for the delicate light foods where you want to maintain the neutral color such as fresh fruit bowls, seafood, fish filets, soups, stews, risotto, pasta, desserts, salads and vegetables.

White Balsamic Vinegar, Flavored

- Our White Balsamic Vinegar, Limited Edition, is the base for our irresistible flavors that are bursting with impact. Lip-Smacking Lemon and Scrumptious Peach flavors are the stand out category starters.
- Reduce calories and increase taste, a combination that can't be beat. Healthy alternative to high caloric syrups, sauces and toppings. Helps maintain healthy blood sugar levels and may slow the aging process.
- Add a little pizzazz to aperitifs, appetizers, the main course or dessert. Splash in Champagne or martinis for a signature cocktail, drizzle over risotto cakes, toss in pasta, use as a dip on fresh fruit for the perfect finish.

OILS & COOKING SPRAYS

Oils & Vinegars from Around the World!

EXTRA VIRGIN OLIVE OIL (EVOO)

- Our EVOO is the First Cold Press of the olive and valued for the generous healthy polyphenol antioxidants that contribute to energy and longevity.
- According to the USDA, Olive Oil may reduce the risk of Coronary Heart Disease. Known to fight inflammation, be high in Vitamin E & Vitamin K, and contain a balance of Essential Fatty Acids (Omega-3 & Omega-6).
- EVOO may be drizzled over your favorite foods for a gourmet finish, used for bread dipping, baking, in salad dressings, sauces, and marinades. It is also used for light frying, basting, and sautéing.

PURE OLIVE OIL

- Neutral flavor and aroma with all the health benefits of extra virgin olive oil. Also known as "light" olive oil.
- Identified by the USDA to contribute to good heart health when used in moderation along with a balanced diet. Contains a balance of Essential Fatty Acids, (Omega-3 & Omega-6) and is high in Vitamin E & Vitamin K.
- Perfect for food preparation at higher heats such as frying, broiling, roasting, pan searing, and everywhere you want a neutral oil that won't overpower the flavors of the dish.

CIBARIA AEROSOL SPRAYS

- The Sprays offer a convenient way to cook without the higher calories that would be used in conventional food preparation. We offer Coconut Spray made with Organic Ingredients, Extra Virgin Olive Oil, Organic Extra Virgin Olive Oil, Grapeseed Oil Expeller Pressed, and Canola Oil Expeller Pressed.
- The oils all offer the same health benefits as the non-aerosol versions.
- When cooking, baking, and roasting with Spray Oils, you will generally use the oils more sparingly therefore reducing the calorie consumption.

INFUSED, FLAVORED, & FUSED OLIVE OILS

- We offer an extensive line of Infused, Flavored, and Fused olive oils that continue to grow in popularity and demand. A great way to add depth and intensity to daily meal preparation without a lot of fuss. Topping the demand list: Garlic Infused, Basil Infused, Italian Herbs and Herbs de France.
- Each one is loaded with all the benefits of Olive Oil, balanced Omega-3 & Omega-6, high in Vitamin E & Vitamin K, Gluten Free, Carbohydrate Free, and Cholesterol Free.
- A flavor for every occasion. Enhance your cooking experience by bringing the world to your table. In addition to the usual cooking applications, they are incredible as a condiment on pasta, breads, vegetables, cheeses, and crostin's. Great for salad dressings, marinades, and sauces.

MEDITERRANEAN BLENDED OIL

- We've blended Canola, Grapeseed, Extra Virgin Olive Oil, Coconut Oil and Flaxseed Oil to provide an "all in one" perfect cooking oil that speaks to the health, nutrition and capability we are all looking for to prepare meals that contribute to our overall well-being and taste buds!
- Great for all types of cooking, grilling, baking, roasting and sauce/salad dressing preparation.

GRAPESEED OIL

- Light taste and aroma, Grapeseed Oil (pressed from the seeds of grapes) is high in polyunsaturated fat and can withstand higher heat applications with ease. A favorite of many home and professional chefs.
- High in Vitamin E with a balanced Essential Fatty Acid profile of Omega-3 & Omega-6. High in antioxidants, and may protect our bodies from inflammation.
- A great choice for deep frying, searing, roasting, grilling, baking, and salad dressings.
