Winter 2019

Winter is Coming!

Winter is just around the corner; which means hot cocoa, sledding, skating, and possibly some vacation time! Unfortunately, it also means freezing temperatures, mountains of snow, flu season, black ice, and too many slips on your driveway.

But don't worry - Semco has you covered!

Flip through our winter newsletter to find everything you need to survive the ice and keep your home winter-free.

SOS BINS

WaterHog Matting

Durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe.

Bi-level surface scrapes dirt and moisture from shoes to prevent tracking

Water dam border holds moisture, keeping it off floors (holds 1.5 gallons of water per square yard)

Solution-dyed PET fabric is resistant to staining or fading and dries quickly

Beveled edges create a smooth transition from floor to mat, preventing tripping

Mats are certified high-traction by the National Floor Safety Institute (NFSI)

SBR rubber backing contains 20% recycled rubber from car tires

PET surface is made from 100% recycled plastic bottles

LESS Surface Damage

Reduces any damage to wood, concrete, and brick. Avalanche is the safest ice melter to use compared to all other top brands.

LESS Vegetation Damage

Unlike other melters, Avalanche works to preserve plant life and vegetation. There's little to no clean up as no slimy residue is left behind.

LESS Metal Corrosion

Avalanche ice melter is formulated with CMA (calcium magnesium acetate) to form a protective coating in order to prevent corrosion.
