

Winter Rinse Away

Removes film on floor from ice melt chemicals

A concentrated detergent to neutralize all salts etc. that accumulate during winter. A cleaner with the ability to attack winter hazards.

Recommendations

For routine winter use add 1 part *Winter Rinse Away* to 40 parts cool water (25 mL per Litre of water.) Mop daily. For heavy film add 1 part *Winter Rinse Away* to 30 parts of cool water (35 mL per Litre of water.)

Apply mixed solution liberally with mop, allow to soak for a few minutes. Now wring out mop and pick up dissolved ice melt. Can also be used in automatic scrubbers. For ice melt and rock salt stains in carpets add 1 part *Winter Rinse Away* to 30 parts carpet extractor rinse water (35 mL per 1 Litre of rinse water).

Code	Size	Special notes
34770	4 x 3.78 L/case	
34771	20 L pail
