Job Posting

Level Six

Paddling Gear – Accessories – Lifestyle Apparel - SUP

Position: In-house sales and customer service.

April 9th , 2015th

Since 1997 Level Six has been delivering the most innovative and high quality paddling gear and apparel available in the paddle sports market. With the increasing retailers, Level Six is a growing company and requires excellent people to help deliver support and information to our customer base. Level Six offers products in the following categories: technical clothing for whitewater, touring, rec and SUP paddling; technical accessories for kayaking; lifestyle outdoor women's, men's and children's clothing. For full insight on products check out: www.levelsix.com

Level Six is looking for a dynamic self-motivated, well spoken, organized person to join their in-house sales team. The position is based in Ottawa, Ontario Canada and will require some travel. The selected candidate will service existing accounts and search out and build new business relationships. The candidate will require knowledge of the paddle sports industry both from personal and business experience.
