

THE BUZZ

Decadent, luscious, euphoria-inducing, and perhaps even a little bit healthy: chocolate is truly a glorious substance. Ancient Aztecs drank it, children adore it, and it has long been the go-to gift for Valentine's Day, Mother's Day, and special anniversaries. We're lucky here on the Outer Cape because not only are there a number of places to acquire chocolate delicacies; we also have a plethora of options for chocolate that not only tastes great, but also comes from sustainable, ethical sources. Whether you're looking for Easter treats, sinfully delicious vegan chocolate cheesecake, or rich fair trade dark chocolate made right in North Truro, you're in for a treat at these places...
