# BEDS

---

Make your bedroom a luxurious private retreat with a stylish bed from our collection. Your bed style is a strong personal statement and becomes the visual focal point of your bedroom. There is a large selection of beds, from timeless classics to modern contemporary. From classic look to high style graceful look. The style you choose should reflect your good taste, suits your style and exudes comfort and personality.

## Apollo

Modern, clean & simple. The Apollo collection is a striking combination of luxe and minimalism.

## Oracle

The Oracle collection is a modern take on the old world charm of a classic design.

## Delphi

Art Nouveau inspired, the Delphi collection vaunts a warm expression that prides itself on a calm vibrancy.

## Aphrodite

Behold the beauty of our unique Aphrodite bed as an ode to love and romance.

## Aurai

Bold and broody, the low-winged Aurai bed. The sleek arch style, translated in upholstered curvature headboard, and classy studded details throughout the collection speaks style, serenity, and simplicity.

## Helios

For those who love the grandeur of royalty, nothing matches the Helios collection.

## Selene

Our Selene bed is sleek, stylish and downright stunning.

## Clio

An enduring example of Hollywood Glam, Clio boasts a solid construction enriched with the most virile of hues.

## Iris

With a deceptively simple tufted design and intriguing gold leaf accents, the Iris bedset is a paradigm of classy minimalism.

## Brizo

The intricate and detailed pleating on the smoothly rounded edge of the Brizo collection make it an absolute charmer.

## Titan

This whiskey-tinted bed set meticulously features the natural contours of the live edge expression to the wood.

# SEATING

Surround yourself in comfort and go from entertaining in your living room to treating guests to a restful night seamlessly with our seating options ranging from beautifully handcrafted wingchairs and sofas to state of the art recliners and space saving yet stunning sofa-cum-beds.

## HESTIA

Stylish, creative & joyful living. The Hestia Sectional Sofa works with a variety of home styles and is a classic design furnishing a contemporary style home.

## GAIA

Sofa bed – a fancy alternative to traditional sleeping arrangements.

## Athena

Carrying a rich vibrant profile, the Athena collection personifies edginess with classy aesthetics.

## Apollo

Grace and beauty are two defining words when it comes to Apollo Sofa. Created with tufted upholstery, it is an enduring masterpiece offering utmost comfort and uniqueness to your room.

## Atlas

Simplicity is redefined with the clean lines of the Atlas collection.

## Olympia

The Olympia Poof Collection – simple and effective design, careful finishing, exceptional fabric, bright and very soft to the touch, with its incredible modularity.

## Alessa

Alessa is understated magnificence. Bring out the best in your interiors with this sophisticated sofa.

## Alexa

Delve into the luxurious comfort of this spectacular sectional sofa.

## Contempo

Perfect for entertaining and for sleeping, the Contempo adds a touch of glam to the simplicity of sofa cumbeds.

## Comforti

Plush, practical and cosy. The Comforti sofa cum bed is a homely addition to your living space to lounge on.

## Aphrodite Chair

A chair can be an independent piece of furniture or a beautiful addition to a complete set.

## Brizo Chair

Opposite ends of the spectrum, yet style and comfort remain uncompromised with our range of seating options.

## Iris Chair

A chair that has irreproachable comfort and a very inviting silhouette.

## Ares Chair

Features a sophisticated and sober design. Metallic details on the legs and connections add a luxurious touch.

## Rhodes Chair

The seat is soft and complimented by an elegantly curved back. The thin, tapered beech legs create a feeling of lightness.

## Helios Chair

Fully upholstered chair features a pleated back and an inviting, bourgeois appearance.

# DINING TABLE

---

Our creations are the fruits of philosophy, “simplicity”: the art of giving an apparent simplicity to a complex shape. Offering a collection of tables, chairs and armchairs with a biomorphic aesthetic that eschews straight lines and is complemented by refined finishes.

## Ares Dining Table

A sophisticated indulgence. Crafted with a solid wood base topped with a walnut rectangular surface, this dining table is as beautiful as it is functional.

## Elektra

Elektra dining table is not just a piece of furniture but a sculptural work of art. Inspired by the complex textures in nature, the smooth finish of drift wood and the resin effect, gives a striking effect of a flowing river, this sculptural piece becomes an island with its aquatic theme!

## Rhodes

With modern Scandinavian design, every element of this piece feels purposeful. Share a meal and fruitful conversation over the harmonious design of Rhodes Dining Table.

# COFFEE TABLE

---

## A Coffee Table For Every Style

The living room becomes livable with the inclusion of a good looking and useful coffee table. Coffee tables stand out as pieces of art and make for great conversation starters. These tables are made from a variety of materials and you will want to choose a design that best blends into your existing decor.

## Olympia

A natural fit for any decor. This table features sturdy construction and a rich marble finish.

## Petras

Alluring metro design features!

## Triton

A richly crafted masterpiece made for years of satisfaction.

# CONSOLES - END TABLES

—

Create an unmistakably style-focused space with the remarkable look of consoles & end tables. With effortless aplomb, it makes a statement in contemporary sophistication. Creating an aesthetic that's both cool and composed. At its core, its a look thats right at home with modern sensibilities.

## Consoles

A labyrinth of ordered chaos; of patterns and geometry.

## Cabinet

This beautiful server has the modern clean lines that look great in any decor.

## Shelves

The essence of timeless style. Simple yet elegant, it features classic silhouettes, fashionable finishes, custom-designed hardware and vintage inspired detailing.

## End Tables

Sleek metal frames in a sophisticated finish create great contrast and harmony. Beautifully captures the elegance and grandeur of fine traditional design.

## TV Unit

Add a big touch of country style to your living area. It's visually appealing with the flexibility you need.

# MIRRORS

---

Mirrors Brightens a Space, Mirrors Opens up a Space, Mirrors are a Focal Point!

Give the illusion of having a grand space by hanging them in a petite area like a dining nook, or transitional areas, such as entryways, hallways, and stairways.

## Mirrors

Mirrors are works of art. Frames that accentuate the colors and designs you already have in your home.

## Mirrors

Mirrors create an impactful and interesting effect and ideal for any room in need of natural elements.

## Mirrors

There's nothing like an abundance of good, natural light to make a space feel open and happy. Mirrors are a great way to brighten up a room.

# DECOR

---

Accessories can often make or break your room design. Unique and rustic appeal to your home living space.

## Notre Monde

A labyrinth of ordered chaos; of patterns and geometry, is our Notre Monde collection.

## Accessories

An eclectic mix of colors and materials come together to create pure magic.

## Accessories

Heed the call of the wild and let a manifestation of nature take over dark corners.

## Accessories

To store or display, these fascinating pieces make your home ideal for entertaining.

## Exquisite Lamps

Ranging from classic to contemporary, our variety of table lamps fit every mood.

## Chandeliers

Lighting has never looked so enchanting. Our chandeliers are available in multiple sizes, materials and finishes to fit all your needs.

## Chandeliers

Find lighting options to fit your style so your interiors always stand out.
