## CLAIRE

### Description

Elegantly curved lines come together in this charming design. Both simple yet refined, our Claire marble fireplace mantel fits both traditional and modern interiors. An elongated oval centered between a split paneled frieze repeats in a similar pattern on both legs. The shelf is curved on both sides and beautifully molded. Rounded plinths form the base of this absolute stunner.

Pictured in Bianco Carrara featuring a Claire Crowe Collection fireplace screen. Available in all marbles and in sizes Small (52"W), Medium (58"W), Large (64"W), or any Custom size.
