## AMELIE

### Description

Our Amelie marble fireplace mantel showcases a more traditional interpretation of the molded bolection design. The prominent bolection is flanked by elegantly carved exterior and interior panels. The mantel rests on a set of softly rounded foot blocks. The only other thing Amelie needs is a great book and a glass of wine.

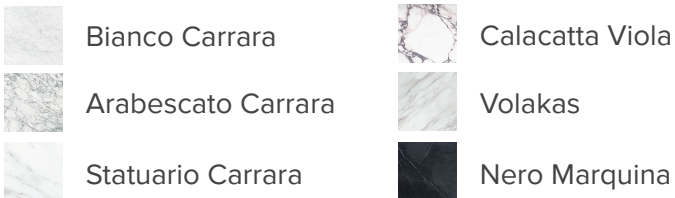

Pictured in Arabescato Carrara featuring a HearthCabinet® ventless fireplace. Available in all marbles and in sizes Small (52"W), Medium (58"W), Large (64"W), or any Custom size.
