Description

The design of our Bengal marble fireplace mantel was inspired by the marvelous Indian Bengal tiger. Majestic stripes are carved along the outer panel, while an elegant interpretation of a dental pattern adorns the full interior surround. The prominent square foot blocks on which the mantel rests complete this royal contemporary design. Only a real roaring Bengal tiger would arguably impress more than this extraordinary fireplace mantel.

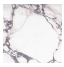

Pictured in Volakas featuring a HearthCabinet® ventless fireplace. Available in all marbles and in sizes Small (52"W), Medium (58"W), Large (64"W), or any Custom size.
