## REGIS

### Description

The design of our Regis marble fireplace mantel subtly brings together the new and the old world. Boasting a molded multi-step surround with clean straight lines, a layer of detail is added by seamlessly integrating an elegant row of traditional beads across the full legs and frieze. Regis depicts an undeniable contemporary look yet with a tantalizing classic twist.

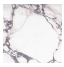

Pictured in Statuario Carrara. Available in all marbles and in sizes Small (52"W), Medium (58"W), Large (64"W), or any Custom size.
