Description

Our Surrey marble fireplace mantel takes a creative spin on the bolection mold by inverting the traditional design. Curving inwards alongside the mantel, the legs and frieze seamlessly transition into a paneled front elegantly carved in multiple molded steps to create a dramatic multidimensional effect. Surrey is guaranteed to impress with its striking and unique carving.

Pictured in Arabescato Carrara. Available in all marbles and in sizes Small (52"W), Medium (58"W), Large (64"W), or any Custom size.
