

## ANNA

For the very demanding ones, who want to have everything from a stove, the Thermorossi Anna is the most comprehensive stove one can request. The panoramic view of the fire, superior to any stove in its category with its large enamelled oven and the SMOKE BY PASS device make this stove a precious and unique object wrapped in a selection of Cast Iron (Easy), hand sculpted Beige or Bordeaux Maiolica tiles or natural hand carved Soapstone.

## XXL

The strict manufacturing standards and the high quality of raw materials, grant higher heat accumulation and stable durability of the fire box and other components.

## Easy Cleaning

The wide ash pan and the obvious inspection points make maintenance easier keeping the efficiency of the firebox at its highest levels.

## Smoke By-Pass

Smoke by-pass technology reduces smoke entering the living zone with every wood load by redirecting exhaust to the rear of the fireplaces using the sliding control.

## Enamelled Oven

Enamelled oven complete with grill and dripping pan

## Made in Italy

Thermorossi utilises the most modern techniques of production and manufacturing of all its products to conform to the strictest European regulations.

The manufacturer reserves the right to make changes without previous notice.
