ilektró™

two thousand electric fire

Make a bold statement with the Ilektró 2000.

Being the largest fireplace in the Ilektró range, the Ilektró 2000 is sure to turn heads.

With a full-screen, realistic flame effect, low-reflection front glass and 7 Duoflame Multi Flame colour settings to choose from, an Ilektró fireplace is minimal in design yet visually stunning, making it the perfect statement piece.

Features

- Simple and hassle-free installation – no flue required
- Duoflame Multi Flame colour technology with 7 settings
- Adaptive heating technology – 0-2000W output
- Patented even heat distribution technology built into all models
- Energy-saving LED Multi Flame technology
- Use of flame effect with or without heat
- Full-screen display with realistic flame patterns
- Underbed mood lighting with 7 settings
- Choose from 28 Aspect and Landscape models
- Front, left-hand, right-hand and bay orientated options for all models
- All four orientation options professionally packed into one box
- Clear-vision, low-reflection front glass
- Unique side glass reflection
- RF touchpad remote control with colour screen display
- 7-day programmable timer with room thermostat
- 240V/10A standard electric plug fitting
- 2 year warranty on all models
