ilektró™

nine fifty aspect electric fire

Heat the rooms in your home with the Ilektró 950 Aspect.

The products in our Ilektró range have been designed with you in mind.

After all, a fireplace shouldn't just make your home *look* more inviting – it should make your home *feel* more inviting too.

With patented technology which guarantees even heat distribution built into all models, you can personalise your Ilektró fireplace to create the perfect ambience by controlling both the visuals and the temperature.

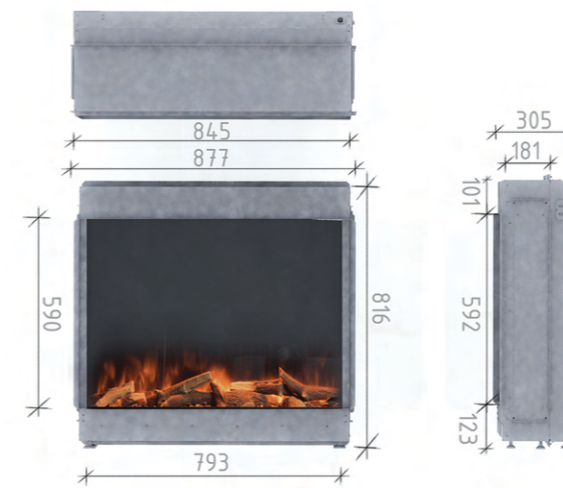

Features

- Simple and hassle-free installation – no flue required
- Duoflame Multi Flame colour technology with 7 settings
- Adaptive heating technology – 0-2000W output
- Patented even heat distribution technology built into all models
- Energy-saving LED Multi Flame technology
- Use of flame effect with or without heat
- Full-screen display with realistic flame patterns
- Underbed mood lighting with 7 settings
- Choose from 28 Aspect and Landscape models
- Front, left-hand, right-hand and bay orientated options for all models
- All four orientation options professionally packed into one box
- Clear-vision, low-reflection front glass
- Unique side glass reflection
- RF touchpad remote control with colour screen display
- 7-day programmable timer with room thermostat
- 240V/10A standard electric plug fitting
- 2 year warranty on all models
