

GlamFire

York EVO Plus

The pure and the immaculate appear as synonyms of elegance.

The elegance of the straight lines that redeem for the present the reminiscences from the past. York creates an elegant and comfortable environment that appeals to the conviviality and sharing of experiences and emotions.

GlamFire

York EVO Plus

Made from the finest materials - black lacquered steel, brushed stainless steel and rusted corten steel - and running on an environmentally friendly fuel - the bioethanol -, York is a fireplace with its eyes set on an elegant future that does not leave the charm of the past.

GlamFire

York EVO Plus

The casing of perfection takes on different faces.

From the dream of having a different fireplace, from a fireplace made to shine in any environment, are born Box I, Box II and Box III. Brought into existence so that, in an exquisite alliance with York, a true comfortable environment is created in space.
