Stainless Steel Clean Room Pull-Out Rack

Robust and hygienic storage solution for your clean room facility? Look no further! Our Stainless Steel Clean Room Pull-Out Rack is designed to meet the strictest cleanliness standards while providing efficient storage and easy access to your valuable materials.

Features

- **Premium Stainless Steel Construction:** Crafted from high-grade stainless steel, this rack is not only durable but also resistant to corrosion, making it ideal for clean room environments. Available in 304 and 316 Stainless Steel
- **Cleanliness Assurance:** Our pull-out rack is designed to minimize dust and particle accumulation, ensuring a pristine environment for your sensitive materials.
- **Space Optimization:** The pull-out design maximizes storage space while allowing easy access to items, making organization and retrieval a breeze.
- **Adjustable Shelves:** Customize the rack to your specific needs with adjustable shelves that accommodate various product sizes and shapes.
- **Smooth Glide Mechanism:** The pull-out mechanism operates smoothly, reducing the risk of contamination during access.
- **Lockable Casters:** Mobility when you need it and stability when you don't. Lockable casters provide versatility and security.
- **Easy Maintenance:** Cleaning and maintaining the stainless steel surface is a breeze, ensuring long-lasting functionality.
