## Entrepreneur Couples Who Built Companies Worth Crores Together: Vineeta-Kaushik, Rohan-Swati, More

List of famous entrepreneur couples who have proved that love and business can go hand-in-hand after building companies worth crores.

### Daisy Tanwani and Mashhood Beg - Pinklay

One of the most unique business ventures on the list is Pinklay. For the unversed, it was founded by Daisy Tanwani and Mashhood Beg in 2016. The platform is a homegrown lifestyle brand which is dedicated with the aim to showcase the beauty of Indian handicrafts. Pinklay collaborates with local artisans and helps them skillfully blend traditional and contemporary designs for modern India.

By bridging the gap between tradition and modernity, Pinklay offers a unique and captivating product range that celebrates India's rich heritage. The stunning couple, Mashhood Beg and Daisy Tanwani met in 2007, and after dating each other for some time, Daisy and Mashhood got married in 2012.

**We wish more couples come forward and inspire others with their entrepreneurial journey.**
