DMK ENZYME TREATMENTS

DMK Enzyme treatments work with the internal functions & structures of the skin to improve skin health & correct skin dysfunction. These treatments create an enzymatic reaction in the skin which stimulates circulation, increases cell oxygenation, removes toxins and waste, firms facial muscles and restores structural integrity back to the skin.

Specific treatments and programs are available for pigmentation, acne, open pores, scarring, milia, wrinkles, fragile capillaries, rosacea, folliculitis, maintenance of healthy skin & overall age management.

Enzyme Facial - Level 1 **\$200**

A basic treatment without Exfoliation.

Enzyme Facial - Level 2 **\$240**

Enzyme Facial + Basic Exfoliation.

Enzyme Facial - Level 3 **\$275**

Enzyme Facial + Advanced Exfoliation.

Enzyme Facial - Level 4 **\$350**

Instant Lift + RP Facial

Skin Needling + Enzyme Facial **\$400**

This is an intensive treatment that combines two of our favourite modalities. Ideal for treating acne, scarring, ageing skin, sun damage, open pores, pigmentation & more.

BODY WELLNESS

FAT & CELLULITE REDUCTION

Endermologie	Number of Treatments:			
	1	10	15	20
20min (suitable for small area)	\$100	\$900	\$1275	\$1600
35min (suitable up to 3 target areas)	\$150	\$1400	\$1950	\$2400

Endermologie is a 100% natural & non invasive treatment to reduce cellulite, eliminate stubborn fat that is resistant to diet & exercise, firm the skin, reshape the body, improve circulation, reduce scar tissue and offers the ultimate lymphatic drainage to reduce fluid retention & other toxins from the body.

Body Sculpting Wrap	Number of Treatments:		
	1	6	10
Single target area	\$110	\$550	\$880
Waist down to knees	\$220	\$1100	\$1760

Body Sculpting Wrap: creates a thermogenic effect to increase circulation and eliminate waste material. Minimises the appearance of cellulite, re-shapes and sculpts the body.

Body Enzyme Therapy	Number of Treatments:		
	1	6	10
Single target area	\$220	\$1100	\$1760
Waist down to knees	\$420	\$2100	\$3360

Deeply exfoliates, increases circulation and lymphatic drainage, strengthens and firms. Body Enzyme is suitable for cellulite, fluid retention, dry skin, poor circulation, pigmentation, stretch marks and acne on the body.

Body Microdermabrasion **\$280**
 Deeply exfoliating & skin rejuvenating treatment.

BODY WELLNESS

Fat Cavitation & RF Skin Tightening	Number of Treatments:		
	1	6	10
10min	\$70	\$350	\$560
20min	\$110	\$550	\$880
30min	\$150	\$750	\$1200
40min	\$175	\$875	\$1400

Time required for treatment will depend on the size of area treated. Typically, we spend 10 min on an A5 size area.

Fat Cavitation is a medically-established scientific principle that works to reduce stubborn pockets of fat by applying ultrasound energy to the targeted area, converting fat to liquid that is then dispersed and processed through the lymphatic system.

RF Skin Tightening generates heat to the epidermal and dermal layers of the skin, causing tissue retraction, resulting in instantly tighter and firmer skin. It also works to stimulate collagen production which over time produces a more youthful looking appearance.
