

AUTUMN SKIN *radiance*

REFINE SPARKLE & SHINE

This treatment is designed to improve skin texture, reduce fine lines, pigmentation & capillary damage, plus increase hydration for the ultimate skin glow.

Includes:

- An enzyme exfoliation or peel application to refine your skin texture
- IPL Photo Rejuvenation to target pigmentation, capillary damage & improve collagen production
- Mask application to infuse hydration into the skin while delivering healing and soothing botanicals to improve the overall health of the skin

PAY ONLY \$279
USUALLY \$390

PURCHASE X 3 FOR JUST \$699

RADIANT GLOW TRANSFORMATION

Transform your skin in just 6 weeks with:

- 3 x fortnightly Mesopeels

An advanced exfoliation technique that targets various skin concerns such as acne, fine lines, wrinkles, hyperpigmentation, and uneven texture, revealing a smoother and more radiant complexion. We customise the peel to suit individual skin needs, ensuring optimal results with minimal downtime. Say goodbye to imperfections, dull, tired skin and hello to a revitalised, youthful glow.

PAY ONLY \$299
USUALLY \$420

PICO LASER PERFECTION

We use the fastest speed Pico Laser on the market, making it safer and more effective for tattoo removal. This non-invasive treatment is also great for skin rejuvenation, shattering unwanted pigmentation, improving skin texture and stimulating collagen production. Remodelling the skin's deeper layers for a brighter, radiant & smooth complexion.
