

# Economy Seed Tray Rack

## Assembly Instructions D4 (12)

### Components.

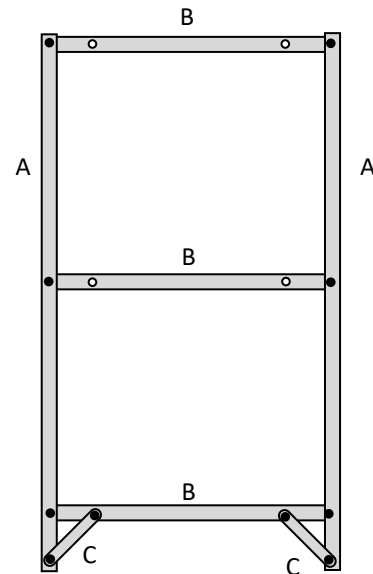

Please check before assembly.

A.	Corner Uprights	36"/91.5cm	x 4
B.	End Horizontals	15 3/4"/40cm	x 6
C.	Tie Bars	5 3/8"/13.6cm	x 8
D.	Side Horizontals	28 7/8"/73.5cm	x 6
	Short Nuts & Bolts		x 40
	Seed Trays		x 9

1.

Take parts A, B & C and assemble two end sections as shown in the diagram with item "B" flat side down.

Assemble finger tight only with the bolt heads to the outside

2.

Take the two end sections and join these together using the six side horizontals "D", again with the flat side down, and the four remaining tie bars, "C".

3.

Once all the components are in place, square up the whole structure and tighten fully.

Place the trays in position.
