

The green shade netting measures approx. 2 metres (78") wide.

It can be used on the inside or outside of a structure.

HINTS FOR FIXING

- Decide which areas of your greenhouse (conservatory) is to be shaded.
- Measure and cut the shading to suit using a sharp pair of scissors.
- Fasten in place using your chosen Fixing Aids (if you haven't ordered any please see catalogue for full details).

HINTS FOR CARE

- The shading may be gently washed to preserve its appearance.
- Store in a dry place out of direct sunlight.
