

Janie's Peach Glaze & Honey Cream

½ lb fresh peaches

5 tbs water

¼ cup of sugar

1 tsp cornstarch

DIRECTIONS

Blend or slice peaches. Add peaches, water, sugar and cornstarch to a medium-sized pot. Bring to a boil and cook for 2 minutes.

For presentation, slice fresh, uncooked peaches on a slice of Plain Jane pound cake from Janie's Cakes. Spoon on two or three tablespoons of hot glaze to the top of the cake. Add a dollop of chilled honey cream on the side and serve.

Honey Cream: combine ½ cup of chilled sour cream with 2 tsp local honey. Beat with a whisk until well blended. It's that easy!
