

## Aspen Round Rug (32" 81 cm)

**LEVEL: EASY**

**Time to complete: 1-3 hours**

### MATERIALS

**Yarn:** Big Loop Yarn (40 oz 1134 g, 120 yards 110 m), 100% Merino  
**Crochet Hook:** Size U (25 mm)

### PATTERN

One skein will make 803 square inches / 5024 square cm. To make a different size, calculate the area of the rug (radius squared in inches or cm times 3.14) and divide that number by 803 (if measuring in inches) or 5024 (if measuring in cm). This will give you the number of skeins to make your desired size.

**Tip** – it's best to crochet loosely with this yarn.

1. chain (ch) 6
2. insert hook into first chain stitch you made forming a ring
3. yarn over your hook (yo)
4. draw the yarn through the stitch and through the loop on your hook, your center ring is now complete
5. chain 2 (count as 1 dc), 9 dc in to the ring (total 10 dc made), join the circle with sl st on the second chain
6. Chain 2 (count as 1 dc), make about 19 dc evenly in the next 9 dc (total of 20 dc made), join the circle with a sl st on the second chain
7. chain 2 (count as 1 dc), make about 30 dc evenly in the next 19 dc (total of about 31 dc made), join the circle with a sl st on the second chain
8. chain 2 (count as 1 dc), make about 41 dc evenly in the next 30 dc (total of about 42 dc made), join the circle with a sl st on the second chain
9. chain 2 (count as 1 dc), made about 53 dc evenly in the next 41 dc (total of about 54 dc made), join the circle with a sl st on the second chain
10. chain 2 (count as 1 dc), made about 64 dc evenly in the next 53 dc (total of about 65 dc made), join the circle with a sl st on the second chain
11. fasten off
