We've been playing violin and viola for almost 30 years and we've loved Thomastik-Infeld strings from the very beginning. Dominant strings have been our go to set for our acoustic instruments dating as far back as when we were stand partners in high school orchestra. Their consistency and brilliance are unparalleled. Our electric instruments are strung with Infeld Red/Blue sets because they are the warmest in the business and always sound strong and bold, just like us! #RockStarStrings. Thanks Thomastik-Infeld!

I have been using Thomastik-Infeld Blue and Red for the last five years for their powerful and pure sound. They settle easily on both modern and old instruments. The price is fantastic and I will never change again, because I find these strings among the best on the market.
