

# The Warley Stock Box

## How to assemble the Warley Stock Box

How the Model Box is Received	
When you receive your order, your model boxes will arrive flat as shown below, comprising of three parts, one main outer box and two sheets of the box inserts.	
	The model box outer on arrival (x1)
	The insert on arrival (x2)

How to Construct the Outer Box	
	<b>Step 1</b> Fold over the front and back of the base of the box at the crease and fold in the left sides.
	<b>Step 2</b> Fold over the left securing flap to fit into the pre-cut holes. Repeat step 1 and 2 on the right hand side.
	<b>Step 3</b> Fold over the left and right flaps of the main section of the lid at the crease
	<b>Step 4</b> Fold in the left and right flaps at the top of the lid and fold into the locks at the base of the box and secure.
