

## SETUP INSTRUCTIONS

### INSTALLING FLOWER CROWN ON A BACKDROP

Step 1

#### Installing hooks provided

Hang the 2 hooks provided on both ends the cross bar 1' inside from the upright.

Step 2

#### Installing Adjustable Dowel

Slide the dowel in the bottom part of the hooks hung in step 1 by extending it as needed. Make sure the dowel ends rest on the upright as shown

## SETUP INSTRUCTIONS

### INSTALLING FLOWER CROWN ON A BACKDROP

Step 3

#### Hanging flower crown

Flower crown comes in 4' and 2' sections. Each section is provided with attached hooks to hang. Start hanging the first section from one end of the crossbar with attached hooks. Continue with other sections until you cover the entire width of the backdrop.

Step 4

#### Raising the backdrop

Now you can raise your backdrop to desired height. ([check our hardware instructions if you need help in operating upright](#))

**Enjoy your backdrop**
