

The Green Guard HD Fitment Template

Print this document on regular 8.5" x 11" paper and then cut it out to ensure your mower has clearance for the HD model to fit.

Inches written inside the boxes tell you how much room you have between the mower deck and that component.

HD Swing Arm - 2-1/2"

The HD Base - 0"

HD Swing Arm - 2-1/2"
(Align flush or up to 1.5" back from deck edge at the chute.)

**The HD Motor
1/2"**

1-3/8"

3"
