

TEXTURE

Texture changes on the skin are primarily caused by free radical (sun) damage to the dermal-epidermal junction (DEJ). This is the only part of your skin barrier that does not replace itself every month and so it takes a lot of permanent hits from the sun. Osmosis patented a treatment that exclusively targets oxidative damage to create real, long-term changes in the skin and in texture.

MUST-HAVES

RESCUE MD

Patented to target free radical damage of the dermal-epidermal junction (DEJ).

ALSO BENEFICIAL

CATALYST MD

Clinically proven formula for damaged DNA, this serum maximizes the power of Vitamin C to address sun-related damage.

REGENERATE

Provides a perfect blend of critical amino acids to help maximize liver, collagen, and skin health

RECOVERY

Targets structural fat pads in the face, neck, and body which improves the appearance of texture, fine lines, and wrinkles.

EPIC SKIN TOOL

Increases circulation, firms and re-energizes the skin, and allows up to 30% more of a product's active ingredients to penetrate deeper and perform more effectively.

For lasting professional results, it is highly recommended to receive monthly Osmosis facial treatments to properly support your at-home skincare regimen. You can find an Osmosis Certified Spa near you by visiting our spa locator at <http://osmosisbeauty.com/apps/store-locator>
