

DAVID AUSTIN®

MENU

SPRING & SUMMER 2024

Welcome to the David Austin Roses restaurant

As the gentle embrace of spring yields to the warmer summer months, our beautiful gardens begin to unfurl their tender new growth, transitioning into a sea of vibrant blooms. We are pleased to introduce our new summer menu, featuring a variety of dishes that not only delight the senses but also pay homage to the abundant season's harvest.

GARDENER'S TIP

Deadhead your repeat flowering roses to ensure they stay as healthy as possible. Removing spent blooms will reward you with plentiful flowers throughout the summer and keep your roses looking tidy.
