Contour Roll-Up Template Guide

- Must have 8” width at top and art must center at top. Top of design cannot be pointed.
- Template is at a 1:10 scale. Do not resize.

- Extend all art to bleed line. Keep all text, logos and important images within gray safety line.

- Embed all placed images. Images must be a minimum resolution of 360 PPI on this template.
- Submit all artwork in CMYK color mode. Design with Solid Coated Pantone Colors for accurate color representation.
