

Instructions to complete this Signature Release Form: Use this form to request that orders shipped from CulinarySolvent.com do not require a signature at time of delivery. Follow the steps outlined on this page to complete the Signature Release Form. Once complete, see instructions for “At Time of Checkout”.

Step 1.) Fill in the requested information on page 2 of this form.

Step 2.) Take a picture of your government using your smartphone. Be sure your ID includes your age, and the address of where your package will be sent.

Step 3.) Send a copy of your completed release form, and copy of your ID, to our email address: service@culinarysolvent.com.

Step 4.) We will reply with confirmation of receipt of your submitted form.

At the time of checkout: Please include an order note indicating you have a “signature release form on file”. Due to the large volume of shipments, we rely on the order notes for special requests such as this. See image below for where to add your order note at checkout. If you’ve already placed your order, you may email service@culinarysolvent.com **before the item ships** to notify us.

Please Note: We are unable to modify the signature requirements once an order has shipped. Customers must notify us of the request before the item is picked up. If an order must be returned, it will be subject to our returns and refund policy.

The screenshot shows the Culinary Solvent website interface. At the top, there is a navigation bar with the logo and menu items: About, Prices, FAQ, Uses, Shipping Map, and Contact. The main content area features a large banner for 'Food Grade Alcohol' with the tagline 'DESIGNED FOR HERBALISTS'. Below the banner, there is a product listing for 'Alcohol For Herbalists' with a 5-star rating and 107 reviews, priced at \$32.50. To the right, a shopping cart is open, showing the product 'Alcohol For Herbalists' in a 'PINT (16 fl.oz.)' size for \$32.50. Below the cart items, there is an 'ORDER NOTE' field containing the text 'Signature form sent, thank you!'. An orange arrow points from the product page towards the order note field in the cart.

Due to the rules for shipping hazardous materials, orders of 5 gallons or more will always require a signature at time of delivery. This Signature Release Form may only be applied to pint, quart, and gallon size packages shipped via FedEx or UPS.

Fill out all fields clearly and completely.

Recipient Name: _____

Recipient Email Address: _____

Recipient Shipping Address: _____

City: _____ State: _____ Zip: _____

Every State regulates food grade ethanol differently. A resource guide to the rules and regulations for each state has been made available at <https://CulinarySolvent.com/map>. If you are unfamiliar with your State's specific rules and regulations, please review using the link above before proceeding.

Please initial to agree:

_____ I am familiar with the rules and regulations for my State governing food grade ethanol.

_____ I understand the returns and refunds policy (<https://CulinarySolvent.com/refunds>), including the terms applicable to orders shipped without adult signature confirmation.

_____ I have included a copy of my government issued ID.

_____ I have presented proof of my age and hereby request that my orders shipped from CulinarySolvent.com do not require a physical signature at time of delivery. I acknowledge that upon delivery confirmation via FedEx.com tracking number report or UPS.com tracking report, I release The Northern Maine Distilling Company of liability for the package, and affirm that I am responsible for the safe storage and handling of my food grade ethanol product. Please note, because packages delivered may be left unattended, we are unable to assist with lost or missing packages after FedEx/UPS confirms delivery via their tracking number report system.
