

The background features a central white-outlined column with a fluted shaft and a capital with two scrolls. On either side of the column are stylized figures with long, flowing hair, wearing orange and teal outfits, appearing to support the structure. The scene is set against a dark, textured background with scattered golden dots. At the top, two teal planters with stylized flowers sit on a wide, multi-tiered teal base. The bottom edge is decorated with a row of stylized flowers and leaves in teal and orange.
