handwork

EMBRACE THE BEAUTY  
OF HANDMADE OBJECTS.

*Perfectly imperfect.*

**H**enry Handwork is committed to preserving the centuries-old art of hand-embroidery. Our designers work collaboratively with a team of global artisans to create unique products that add elegant details to the home.

Drawing inspiration from vintage design, modern motifs, and the natural world, our original artwork is expertly realized by needle and thread into the world's finest handwork. Every item in our collection is made by hand; as such, individual items may vary slightly in size, color, and design execution.

All table and bath linens are made from natural cotton and linen; daily use is encouraged and laundering is easy. Decorative objects (ornaments, tree skirts) should be spot cleaned only.

Please visit our website for care instructions or to inquire about custom orders.
