

2021 pinot noir

SEND NUDES

SOURCING

California

BLEND

100% Pinot Noir

For its next act SEND NUDES is going full Foxy Brown. This 2021 Pinot Noir expresses El Dorado Plum and lavender on the nose while bing cherries, dragon fruit, pomegranate and delicate spice dance across the pallet. Neutral oak keeps this wine fresh as F*&% with a slight crunch... This wine goes great with late night booty texts to the EX.
