

THE EYEBROW EMPORIUM™

BDL™ BROW DEFYING LAMINATION

INTRODUCING OUR NEXT GENERATION OF BROW DEFYING LASHES...

- NEW INNOVATIVE USP's • NEW FORMULA • NEW FASTER SETTING TIMES • NEW PACKAGING •

NEW INNOVATION - Mix Scene 2 Neutralise solution with your tint (Eyelash Emporium use Apraise tint) at a ratio of 1:1. By combining these two steps, this innovative USP will speed up your GDL Lash Lift and BDL Brow Lamination treatment time.

FASTER SETTING TIMES - Both Scene 1 Lift and Scene 2 Neutralise + Tint have faster setting times, allowing for a quicker, effective treatment. Treatments can be completed in less than 30 minutes (please see applicable slides of setting times).

IMPROVED FORMULA INGREDIENTS - Key ingredients which benefit and protect the hair, including; proteins such as Hydrolyzed Keratin and Hydrolyzed Silk and Butyrospermum Parkii (Shea) Butter which helps to re-nourish and protect the hairs.

Follow our **Takes** below to create your Instant, High Definition, Jaw-Dropping Brow Lamination Results.

BDL BROW LAMINATION STEP BY STEP

Take 1 The spotlight is now on. Clean the brows using our Prep & Prime Pre-Treatment Cleanser clean the brows using our Oil Free Makeup Remover or our Protein Cleansing Pads. It is essential to get rid of any excess oil or makeup prior to treatment.

Take 2 Apply our Eyelash Emporium GDL bonder to the brows in small sections, then using our Y-COMB, lift the brow hairs up. Complete this on both brows.

Take 3 Once the brow hairs have been bonded, you are ready for Scene 1, using a micro applicator, apply Scene 1 Lift solution over the brows. Now set your timer following our guide below. Top tip, apply cling film over the solution to absorb extra heat!

Brow Type	Scene 1 Lift
Fine Brows	5 Minutes
Healthy Brows	6 Minutes
Coarse Brows	8 Minutes

Take 4 Remove the cling film, then using a dry cotton pad, remove Scene 1 Lift solution off the brows.

Take 5 The Penultimate Scene, mix the tint and GDL Scene 2 Neutralise into a dappen dish at a ratio of 2:1 (more neutraliser to tint). Once this has been mixed, using our tint brush apply over the brow hairs. Using a dry cotton bud remove any excess solution and tint from around the brows to ensure a neat finish. Set your timer using the table guide below. Top tip, apply cling film over the solution to absorb extra heat!

Brow Type	Scene 2 Neutralise + Tint (mix together)
Fine Brows	5 Minutes
Healthy Brows	6 Minutes
Coarse Brows	8 Minutes

Take 6 Using a dry cotton pad, remove the tint and Scene 2 solution from the brows.

Take 7 When the timer finishes, use a dry cotton pad, remove the tint and Scene 2 solution from the brows.

Take 8 You are now ready for the final Scene to complete your jaw-dropping look, using a sponge applicator, apply our Scene 3 Boost solution over your clients brows. To set the brows into place, brush upwards and style into the desired shape, to give your client that Brow Defying Lamination look.
