

**MATERIAL SAFETY DATA SHEET –
Preview Pre-Treatment Lash Primer**

SECTION 1 Identification of the Substance/Preparation and the Company/Undertaking

MSDS Name: Preview Pre-Treatment Lash Primer

Manufacturer/Distributor/Importers:

The Eyelash Emporium Ltd
Pinewood Studios
Iver, Buckinghamshire, SL0 0NH
UNITED KINGDOM

Further information obtainable from:

+44 1753 650656 eMail: lashes@eyelashemporium.co.uk

SECTION 2 Composition (Hazardous Substances)

Substance:	% content:	CAS Number:	Classification:	EINECS:
Contains no hazardous substances at reportable levels				

SECTION 3 Hazards Identification

Most important hazards: Non hazardous

Specific hazards: -

SECTION 4 First aid measures

Skin contact: Wash off with soap and water.

Eye contact: Irrigate with water. If irritation persists consult doctor

Ingestion: Not expected. Get medical aid immediately.

SECTION 5 Fire fighting measures

Suitable extinguishing media:

Any suitable for environment

Unsuitable extinguishing media: None

Special hazards in fire: None

Required special protective equipment

SECTION 6 Accidental release measures

Personal precautions: Use impervious gloves. Beware of slippery surfaces

Environmental precautions: Keep out of drains and watercourses

Methods for cleaning: Take up mechanically and collect in suitable container for disposal.

SECTION 7 Handling and Storage

Handling: When using, do not eat, drink or smoke. Wash hands and exposed skin before eating, drinking or smoking and after work.

Storage: Keep container tightly closed in a dry and well-ventilated place. Store in a cool and shaded area. Store in original container. Keep at temperatures between 15 and 22°C.

SECTION 8 Exposure Controls

Engineering measures to reduce exposure: No special measures necessary.

Personal protection equipment:

Respiratory protection: No personal respiratory protective equipment normally required.

Hand protection: Protective gloves.

Eye protection: Safety glasses with side-shields.

Skin and body protection: Long sleeved clothing.

SECTION 9 Physical and Chemical Properties

Physical state	Un Coloured Paste
Odor	Faint Stimulative
pH	Not Available
Boiling Point	ca 100°C
Melting point	Not Available
Flashpoint	1.02g/cm ³
Explosive properties	Not Available
Vapour pressure	Not Available
Relative density	0.800-2
Solubility	Insoluble in water

SECTION 10 Stability and Reactivity

Conditions to avoid: Freezing or high temperatures

Materials to avoid: Strong oxidizing substances

Hazardous decomposition products: Oxides of carbon

SECTION 11 Toxicological Information

Acute toxicity: None

Local effects: None

Excessive exposure may affect human health as follows:

Skin contact: None expected

Eye contact: None expected

Inhalation/ingestion: Not expected

Further information: This product is free of genetically modified organisms (GMO) and free of bovine spongiforme enzephalopathie (BSE). It has not been tested on animals and contains no substances classified as carcinogenic, mutagenic or toxic for reproduction (CMR).

SECTION 12 Ecological Information

Ecotoxicity: No data available

Mobility: No data available

Persistence / degradability: No data available

Bioaccumulation: No bioaccumulation to be expected

SECTION 13 Disposal Consideration

Can be land filled or incinerated, when in compliance with local regulations

SECTION 14 Transport Information

Land transport: ADR/RID: Not regulated.

Sea transport: IMDG Code: Not regulated.

Air transport: IATA DGR: Not regulated.

Further information: Not classified as dangerous goods for transportation

SECTION 15 Regulatory Information

Subject to Cosmetic (Safety) Regulations 2008

SECTION 16 Other Information

The data provided in this material safety data sheet is meant to represent typical data/analysis for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its' correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.

Information contained correct at time of compilation to the best of our knowledge.
