Product Guide

Our Values

We put the pet's health, comfort & happiness first in every product we offer.

Quality Ingredients & Pet Health

- All treats meet human-grade ingredient standards.
- All treats are made & hand-packed in the USA
- No artificial flavors, colors, or preservatives
- Free from corn, wheat & soy
- We don't offer products if we cannot ensure ingredient quality

Product Sustainability & Charity

- Treats baked with sustainable energy
 - Recycled treat packaging
 - Only eco-friendly product stickers are used
 - Fluffy's gives back to local charities
-

Fluffy's treats are delicious *and* healing...

Don't take our word for it. Listen to our customers.

“It's wonderful knowing our dog and cat are being treated with the best ingredients possible”

“Ever since I've been giving [my dog] these treats, her stomach has been back to normal and she is thriving again”

“One of the best pet stores, if not the best of its kind”

“When these arrive in the mail, Scooby would dance at seeing the bag. He loved them”

“My puppy loves these, I have to hide the bag or she will beg for them all day”
