PURVEYORS

Get the family together for this "Southern" Italian meal. There's even tea and cake mix for before and after dinner. You decide the order.

NONNA'S GOURMET FOODS

A flavorful sauce that helps fight childhood illnesses, Nonna's Gourmet Foods marinara sauce is made from Chef Daniel Maggipinto family recipe. and served in Café Nonna, located in the Sylvan Park neighborhood of Nashville. Chef Dan's daughter was diagnosed with Atypical Teratoid / Rhabdoid Tumor, a rare and aggressive tumor found in the cerebellum and spinal areas of children younger than three years old. Now Chef Dan donates full 100% of the proceeds to organizations, including St. Jude Children's Research Hospital, committed to fighting childhood illnesses. nonnagourmetfoods.com

THE CAKE MIX DOCTOR

Raised in Nashville, Anne Byrn grew up on her mother's Southern cooking and learned the joy of eating fresh, seasonal food. Before writing NYT bestselling *The Cake Mix Doctor* line of cookbooks, she was food editor at *The Atlanta Journal-Constitution* for 15 years where Anne learned to write about food and learned to cook by taking classes from Julia Child, Marcella Hazan, and countless great cooks and writers who traveled to Atlanta. After studying abroad in Paris at La Varenne Ecole de Cuisine, she returned home and began work on her popular cookbook series.

Nicoletto's PASTA Co.

NICOLETTO'S PASTA CO.

Ryan & Danny Nicoletto, two Italian brothers, founded Nicoletto's Pasta Co. in Nashville to handcraft pasta. Their love for pasta and obsession with quality means they use traditional pasta making techniques for pasta that's delicious paired with a variety of sauces. Nicoletto's pasta is made from a variety of select grains, bronze cut, slowly dried, and sold in fresh and dried varieties. Look for Nicoletto's Italian Kitchen, a full service retail and restaurant space focused on all things pasta, opening in East Nashville later this year. nicolettos.com

SOBERDOUGH

The phrase "Just Add Beer" usually appears on Spring Break shirts, but when you open a bag of Soberdough, it's the only instructions you'll need. The mother-and-son team of Veronica and Jordan combined their respective passions (baking and craft beer) and came up with a surprisingly diverse handful of flavors. soberdough.com

PIPER & LEAF

This tea company in Huntsville, Alabama, began as a family project and has grown into a full time, passion-fueled business. A 2014 Martha Stewart American Made finalist, Piper & Leaf creates quality teas blended with locally grown, foraged, or picked fruits and herbs. The Knapp family is involved in every part of the process except growing the tea in China. They have two stores in northern Alabama, the first one in Huntsville and the second one down Highway 72 in Madison. piperandleaf.com
